Our Invitation

The 1959 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the Iowa Royal of 1959.

The 39 herd bull prospects are up to the usual high standard of Iowa Royal Sales. 30 are serviceable aged and ready for service. 9 are coming prospects. There is much new breeding for the buyers of former years.

Their bloodlines are the most popular of the day and they are the kind that will breed deep bodies and natural thickness on their calves which is far cheaper than to feed it on.

The females represent the choicest bloodlines and most approved type always offered at the Iowa Royal. They are and will be great beef cows that will surely contribute their half to the inheritance of superior beef calves.

We would like to have you note the consignors. Study the pedigrees and footnotes in this illustrated catalog to confirm the rich breeding, outstanding records, and individual excellence of this offering. We feel that you can end your search for the best in Shorthorns here.

Spend a day at the Iowa Royal. See, inspect and talk good Shorthorns. Help generate a world of Shorthorn enthusiasm.

We welcome all breeders, ranchers and farmers from Iowa and many other states who have been attending the Iowa Royal in greater numbers each succeeding year.

Plan to attend. We would like to show our hospitality and give you every service we possibly can.

CHALLENGER'S MAX—A very thick, deep and low set bull that is evenly fleshed and well balanced. His sire is a grandson of the noted Calrossie Outlook and the \$15,000 Cromleybank Legionaire. His dam by the International Champion, Killearn Max Juggler was purchased in the Clausen dispersion and is one of the best cows in our herd. We have bred fifteen of our females to this bull and he is a sure breeder. We would not sell him if many in our herd were not so closely related. This bull is good enough for a good herd.

He is from our show herd and helped to win the junior get of sire class at the Nebraska State Fair in 1958. LANE VIEW LEISHMAN 12th—A full brother to the bull Rudy Egger, Roca, Nebraska bought in our 1957 sale for \$875. His mother is one of our top cows. This is one of the youngest Leishman bulls we are selling this winter but he is an image of his sire. Our Leishman bulls this year are the best bulls we ever had to offer and I think people will agree after the spring sales are over.

MERDALE CAMPEON MERCURY—A good headed, burly, rugged bull that is level lined, heavy boned and well balanced. Although short aged, he was second prize senior calf at the strong Clay County Fair show. Study his pedigree and you will find that he has probably the greatest concentration of Calrossie Mercury blood you can find today. Every one of the bulls in his pedigree made a great record as a sire. The bull cannot fail to breed on.
